

### What is the DSN Lottery?

A chance to win up to £1000 a week for just £1 or £2000 for £2 the DSN Lotteries are charity fundraisers with a difference. Players are not only supporting people with a sensory loss, but helping them to take part in a range of activities, events and projects specifically catered to help enhance their wellbeing.

### Who are DSN?

DSN is a Cheshire-based charity which was established 45 years ago. Our aim is to create a world where people with a hearing loss can communicate effectively and live healthy, independent fulfilling lives. In recent years, DSN has also begun to support those with a visual impairment across the North West and in North Wales.

### What will DSN Lottery pay for?

Funds raised from your participation in the lottery go towards initiatives supporting anyone in Cheshire, Flintshire and Wrexham with a sensory loss from birth right through to death. For example, assisting a family with a child who may have become deaf through illness, with activities to increase communication skills. Or arranging free transport for an older person to become more integrated and less isolated into society, by attending one of our sensory cafes.

### How can you help?

Players have a great chance to raise funds for our charity whilst giving YOU, our supporters, the opportunity to win cash prizes. For every £1 you pay, we receive 70% back to fund our services.

### WHAT ARE YOU WAITING FOR? JOIN US TODAY!

If you know someone with a sensory loss who may need our support, contact us on [dsn@dsnonline.co.uk](mailto:dsn@dsnonline.co.uk).

For more information visit our website:
